

**Reasons to invest in the
Aqua-Air Wet/Dry®
Total Auto Detail Cleaning System:**

Cleans auto interiors more efficiently, better and faster!

**No more damaged electric cords, hoses being run over,
wet electrical switches or vacuum motors shorting out!**

**Makes you money all day cleaning auto interiors;
at the end of the day clean your entire facility including
showroom, waiting room, bays, bathrooms & offices!**

**Eliminates portable extractors, shop vacuums,
buckets, scrub brushes and mixing chemicals, with
no set-up, breakdown and/or waiting time required!**

**Chemical pre-spray, hot water delivery
and waste water drainage are all automated!**

Less equipment maintenance!

Reduce your labor & building maintenance costs!

Happier and more satisfied customers!
